Break the Rules Day

Friday 24th October 2025

Dear Parent / Guardian,

FCSA have another Break the Rules Day planned for Friday 24th October 2025. Children may break as many rules as they would like. Each rule break will be fined at 50p.

We aim to make this a fun experience and children will be reminded that being ready, respectful, and safe still applies! Please can your child bring their donation to school on the day.

Thank you for your continued support,

FSCA
Friends of Cheddon School Association
