The FCSA have started planning the Summer Fair and need your help. It is a wonderful community event and well supported each year. Can you help on a stall or do you know a business who could donate a raffle prize. Please let the FCSA know.

Rainbow raffle tickets will be sold to children at breaktime on Monday 18th May. If they would like raffle tickets it is £1 a ticket or £4 for a strip of tickets. The draw will take place on Monday afternoon.

Use of disabled parking bays

Please be considerate to parents who have disabled children who need to use the disabled bays. In line with our accessibility plan they have priority use of these spaces. We offer staggered drop offs and collections to support parents with parking as well as the memorial hall kindly allowing us to use their car park. Many thanks for your support with this
