Hot Weather Plan

The weather next week is set to be a scorcher! With that in mind, please ensure your child has plenty of fluids with them to get them through the day, has a sun hat in school and is also wearing sun screen to school in the morning. This can also be sent into school to be topped up, but your child will have to apply this themselves. We will also be relaxing the uniform and children can wear their PE kit to school for all of next week.

Forest School Uniform

Advanced warning, from September we will be asking the children to wear their school jumper, school T-shirt and black jogging bottoms for forest school. This is ensure all children are appropriately dressed for their sessions.

Community Food Share

Guin, who organises our food share is keen to continue this over the summer holidays. To be able to do this, Guin will need a volunteer to help set up and run this from the school car park on a Wednesday. If you are able to help, please let the school office know

Choir Performance

Our school choir will be performing on Wednesday 8th July. If your child attends the choir, you are welcome to come and watch the performance. Start time 2:15. Bring your tissues as it will be emotional.

FCSA updates

Please see Class Dojo for the MS form that needs completing for your child to attend the school disco on Friday 3rd July.

There is also a MS Forms for volunteers for the school fete. If you are able to help just for an hour, the FCSA team would be very grateful.
